

NORTH SHORE VOLLEYBALL 2014

WINTER HOTEL INFORMATION

We will be participating in the Michiana Open Power League which consists of 3 two day tournaments, The Presidents day tournament which is also a two day event, and the MVA Winter Bash, also a two day tournament.

Below is the information and instructions for booking your hotel for each tournament date. I have arranged for a block of rooms for each team if you choose to use them. There is a cutoff date also provided, please make sure to transfer your rooms from the **NORTH SHORE** block to your name and credit card before those dates because all rooms will fall off the block and you will not be guaranteed a room. Make sure you talk to the hotel itself and not the reservations dept. I have reserved rooms for each venue for both Friday and Saturday nights. It might be best to originally book for both nights (because of bad weather) and **if you decide you do not need Friday you have 48 hours prior to arrival to cancel (please do not try to cancel the same day, you will be charged for the room anyway!!)**

Any questions please feel free to contact me anytime.
